

# Christmas Time Again

Steven Curtis Chapman

Christmas time is here  
Come and celebrate the best time of the year  
The jingle bells are ringing  
And the carolers are singing their Christmas songs

Christmas time has come  
Can you hear the little drummer boy playing his drum  
And everywhere you go, somebody's wishing you a  
Merry Christmas

And Mr. Cole is singing his chestnuts song  
While we decorate the Christmas tree  
And I'm still dreaming that a snowy white Christmas  
Just might make it down to Tennessee

And it's Christmas time again  
Time to gather with your family and your friends  
And thank God for His gift of Love  
On Christmas

And Grandma's baking her pumpkin pie  
And her world famous casserole  
The kids are playing games on the living room floor  
And I'm waiting for my baby with some mistletoe

And it's Christmas time again  
Time to gather with your family and your friends  
And thank God for His gift of Love  
We're gonna thank God for His gift of Love  
Thank God for His gift of Love  
This Christmas

It's Christmas time again  
Oh, it's Christmas time again  
Everybody, sing joy to the world, the Lord is come  
And let's thank God for His gift of Love this Christmas  
Hear the little drummer boy playing his drum  
We're gonna thank God for His gift of love this Christmas  
Singing joy to the world, the Lord is come
