

# Facts Are Facts

Steven Curtis Chapman

Well I don't wanna' take up anybody's time  
I'm just givin' my opinion with a rhythm and a clever rhyme  
I don't want these words to sound  
Like I think I've got it all figured out  
But there are a few things I can say I know without a doubt

I know there's a God who knows my name  
And a Son who died to take the blame  
I believe that Jesus is coming back  
'cause promises are promises and facts are facts

These days some say there's no one way to believe  
Just keep it loose, you're free to choose  
There's no absolute it's all relative you see  
Calling all defenders of the truth  
Live a life that spells out God's worldview  
Let these words be heard in everything you say and do

I know there's a God who knows my name  
And a Son who died to take the blame  
I believe that Jesus is coming back  
'cause promises are promises and facts are facts

As sure as there's a law of gravity  
That says what goes up must come down  
This is the ultimate reality  
That God is, and God loves, and God can be found

Well I know there's a God who knows my name  
Promises are promises and facts are facts  
And a Son who died to take the blame  
Promises are promises and facts are facts  
And I believe that Jesus is coming back  
'Cause promises are promises and facts are facts

Promises are promises and facts are facts (3x)
