

# I Am Found In You

Steven Curtis Chapman

The sun sink low  
and here I go  
wrestling with questions that refuse and answer  
this path of faith  
can be a place  
so barren of what I understand  
I can hear  
the voice of fear  
saying let me show you another way  
so I cry out my Lord Jesus  
It's in your love for me that I find all that I need  
So where else could turn  
and where else could I go  
you have given me life  
you have made me whole  
you have rescued my soul  
so where else could I go for I am found in you  
I may not see in front of me  
But I can see for miles when i look over my sholder  
and Lord it's clear  
You've brought me here  
so faithful every step of the way  
What can I do but follow you  
For you are the Way, the Truth, the Life  
So I cry out my Lord Jesus  
it's in your love for me  
that I find all that I need  
So where else could turn  
and where else could I go  
you have given me life  
you have made me whole  
you have rescued my soul  
so where else could I go for I am found in you  
All I've been made for so there is no where else I could go  
I am found in you  
found in you
