I'll Take Care Of You

Steven Curtis Chapman

I'll take care of you, don't be sad, don't be blue
I'll never break your heart in two, I'll take care of you
I'll kiss your tears away, I'll end your lonely days
All that I'm really tryin' to say is, "I'll take care of you"

I want you to know that I love you so
I'm proud to tell the world you're mine
I said it before, I'll say it once more
You'll be in my heart till the end of time

I'll take care of you, don't be sad, don't be blue
Just count on me your whole life through
'Cause I'll take care of you

I want you to know that I love you so
I'm proud to tell the world you're mine
I said it before, I'll say it once more
You'll be in my heart till the end of time

I'll take care of you, don't be sad, don't be blue
Just count on me your whole life through
'Cause I'll take care, I'll take care
I'll take care of you
