

# Just Have To Wait

Steven Curtis Chapman

Well, I can't wait to see your smile again  
The one when your eyes disappear along with all my troubles  
And I can't wait to hear you sing a song  
Maybe Jesus loves me or a song you learned up there

But I, oh, I'll just have to wait  
'Cause I know that day is coming  
So I, oh, I'll just have to wait

I can't wait to hear your mama laugh  
The way that only you can make her laugh when you get silly  
And I can't wait to see you in her arms  
I know the wound so deep inside her heart is healed for good

But I, oh, I'll just have to wait  
'Cause I know that day is coming  
So I, oh, I'll just have to wait, oh, ohh

And I can't wait to dance with you again  
Knowing that this time we dance  
We'll never have to end

Oh, I, oh, I'll just have to wait  
'Cause I know that day is coming  
So I, oh, I'll just have to wait

And I can't wait to see your sisters play  
The way they do when all of you are playing all together  
I can't wait to watch your brother's face  
When he can finally see with his own eyes everything's okay

And I just have to wait  
'Cause I know that day is coming  
And I just have to wait
