

# Land Of Opportunity

Steven Curtis Chapman

Another day is off and running  
And I hear somebody pounding on my door  
It's opportunity knocking  
Says what I need is just a little bit more  
Every time I turn around I'm finding  
Another chance to climb a little higher up  
But it's never what I thought once I get there  
And I'm left wondering "How much is enough?"

I can live like a prisoner to all that could be  
I'm living in the land of opportunity  
But a heart pure and simple  
Is a heart that stays free  
Living in the land of opportunity  
I'm living in the land of opportunity

This is a world full of options  
It's like a never ending buffet line  
While all that I'm really needing  
Is living water and the bread of life  
So as I'm walking through this life making choices  
There is one thing I must never forget  
This land of opportunity has one God  
If I seek Him first He'll take care of the rest

Seek ye first the kingdom of God  
Seek ye first the kingdom of God

Seek ye first the kingdom of God  
So many choices, so much it could be  
Seek ye first the kingdom of God  
Living in the land of opportunity
