

## Let Us Pray

Steven Curtis Chapman

I hear you say your heart is aching  
You've got trouble in the making  
And you ask if I'll be praying for you please  
And in keeping with convention  
I'll say yes with good intentions  
To pray later making mention of your needs  
But since we have this moment here at heaven's door  
We should start knocking now, what are we waiting for?

Let us pray, let us pray, everywhere in every way  
Every moment of the day, it is the right time  
For the Father above, He is listening with love  
And He wants to answer us, so let us pray

So when we feel the Spirit moving  
Prompting, prodding and behooving  
There is no time to be losing, let us pray  
Let the Father hear us saying  
What we need to be conveying  
Even while this song is playing, let us pray  
And just because we say the word, "Amen"  
It doesn't mean this conversation needs to end

Let us pray, let us pray, everywhere in every way  
Every moment of the day, it is the right time  
Let us pray without end and when we finish start again  
Like breathing out and breathing in, let us pray

Let us approach the throne of grace with confidence  
As our prayers draw us near  
To the One who knows our needs  
Before we even call His name

Let us pray, let us pray, everywhere in every way  
Every moment of the day, it is the right time  
For the Father above, He is listening with love  
And He wants to answer us, so let us pray

Let us pray everywhere in every way  
Every moment of the day, it is the right time  
Let us pray without end and when we finish start again  
Like breathing out and breathing in, let us pray
