

## Live Out Loud

Steven Curtis Chapman

Imagine this... I get a phone call from Regis  
He says, "Do you want to be a millionaire?"  
They put me on the show and I win with two lifelines to spare  
Now picture this... I act like nothin' ever happened  
And carry all my money in a coffee can  
Well, I've been given more than Regis ever gave away  
I was a dead man who was called to come out of my grave  
And I think it's time for makin' some noise

Wake the neighbors, get the word out  
Come on... crank up the music... climb a mountain and shout  
This is life we've been given meant to be lived out  
So la la la la live out loud, yeah  
Live out loud, yeah, yeah

Think about this... try to keep a bird from singing  
After it's soared up in the sky  
Give the sun a cloudless day and tell it not to shine  
Now think about this... if we really have been given  
The gift of a life that will never end  
And if we have been filled with living hope we're gonna overflow  
And if God's love is burning in our hearts we're gonna glow  
There's just no way to keep it in

Everybody  
La la la... la la la la  
La la la live out loud  
I want to hear everybody sing  
La la la... la la la la  
La la la live out loud, loud loud

Every corner of creation is a living declaration  
Come join the song we were made to sing
