

# Long Way Home

Steven Curtis Chapman

I set out on a great adventure  
The day my Father started leading me home  
He said there's gonna be some mountains to climb  
And some valleys we're gonna go through

But I had no way of knowing  
Just how hard this journey could be  
Cause the valleys are deeper  
And the mountains are steeper than I ever would have dreamed

But I know we're gonna make it  
And I know we're gonna get there soon  
And I know sometimes it feels like we're going the wrong way  
But its just the long way home

I got some rocks in my shoes  
Fears I wish I could lose  
That make the mountains so hard to climb  
And my heart gets so heavy with the weight of the world sometimes

There's a bag of regrets,  
My should've beens, and not yets  
I keep on dragging around  
And I can hardly wait for the day I get to lay them all down

I know that day is coming  
I know its gonna be here soon  
And I won't turn back even if the whole world says I'm going the wrong way  
Cause its just the long way home

When we can't take another step  
The Father will pick us up and carry us in His arms  
And even on the best days, He says to remember we're not home yet  
So don't get too comfortable  
Cause really all we are is just pilgrims passing through

Well, I know we're gonna make it  
And I know we're gonna get there soon  
So I keep on singing and believing  
What all of my songs say

Cause our God has made a promise  
And I know that everything He says is true  
And I know wherever we go  
He will never leave us  
Cause He's gonna lead us home

Every single step of the long way home  
(Keep going, we're gonna make it)  
(I know, we're gonna make it)  
(We're just taking the long way home)  
(Keep going, we're gonna make it)  
(I know, we're gonna make it)  
(We're just taking the long way home)  
(Keep going, we're gonna make it)  
(I know, we're gonna make it)  
(We're just taking the long way home)

(Keep going, we're gonna make it)  
(I know, we're gonna make it)  
It's just a long way home
