

My Turn Now

Steven Curtis Chapman

Well, its my turn now
Yes, it's my, my turn now
Hey, my turn to give my life away

I close the book and I shake my head
Sometimes I can't believe the things I've read
I don't deserve what he did for me

He gave his love and his life away
Now he's asking me to do the same
So, I'm gonna give him all I am
And all I ever hope to be

'Cause, it's my turn now
Well, it's my turn now
My turn to give my life away

Open up the book and look again
I read the stories of the faithful men
Who gave up all they had to follow him

He used the strong and he used the weak
And he even gave the timid words to speak
He called whoever listened then
And now his call goes out again

And it's my turn now
Well, it's my turn now
'Cause it's my turn to give my life away

My turn now
Well, it's my turn now
My turn to give my life away

My turn to say, "I love him"
My turn to let him know
My life is his, so where he leads me
That's where I will go

'Cause it's my turn now
Well, it's my turn now
And it's my turn to give my life away
