

# Speechless

Steven Curtis Chapman

Words fall like drops of rain  
My lips are like clouds  
I say so many things  
Trying to figure You out

But as mercy opens my eyes  
And my words are stolen away  
With this breathtaking view  
Of Your grace

And I am speechless, I'm astonished and amazed  
I am silenced by Your wondrous grace  
You have saved me  
You have raised me from the grave

And I am speechless in Your presence now  
I'm astounded as I consider, how  
You have shown us  
A love that leaves us, speechless

Yeah, so what kind of love could this be  
That would trade heaven's throne for a cross?  
And to think You still celebrate  
Over finding just one, who was lost

And to know You rejoice over us  
The God of this whole universe  
It's a story  
That's too great for words

And I am speechless, I'm astonished and amazed  
I am silenced by Your wondrous grace  
You have saved me  
You have raised me from the grave

And I am speechless, in Your presence now  
I'm astounded as I consider, how  
You have shown us  
A love that leaves us, speechless, we are speechless

Oh, how great is the love  
The Father has lavished upon us  
That we should be called  
The sons and the daughters of God, yeah

We are speechless, so amazed  
(We stand in awe of your grace)  
(We stand in awe of Your mercy)  
You have saved us  
(We stand in awe of Your love)  
From the grave, we are speechless

We are speechless in Your presence now  
(We stand in awe of Your cross)  
We're astounded as we consider how  
(We stand in awe of Your power)

You have shown us  
A love that leaves us, speechless  
We are speechless  
I am speechless

We stand in awe of Your mercy  
We stand in awe of Your love  
We are speechless

We stand in awe of Your cross  
We stand in awe of Your power  
We are speechless

We stand in awe of Your grace  
We stand in awe of Your mercy  
We stand in awe of Your love  
We are speechless

We stand in awe of Your cross  
We stand in awe of Your power  
We are speechless
