

## This Day

Steven Curtis Chapman

Yesterday the sky was bright and clear  
I could see the sun and I could hear the song  
Faith flowed like a river free and deep  
And grace was not so hard to be believed

But that was yesterday  
And what was close enough to touch  
Now seems a world away  
So what about this day

This day all His mercies are new  
This day every promise is true  
Father, help me to believe  
Give me faith I need to know You  
And trust You this day, this day

Who knows what tomorrow's light will bring  
Tears to cry or maybe songs to sing out loud  
But only God can see that far away

And he made us for living day by day  
'Cause he wants us to see  
That the God that He's been everyday of history  
Is who He is this day

This day all His mercies are new  
This day every promise is true  
Father, help me to believe  
Give me faith I need to know You  
And trust You

'Cause You are the same yesterday and today and forever  
Through every season Your truth and Your grace never change  
Oh Lord, I do believe that the God  
That You've been everyday of history  
Is who You are this day

This day, this day  
This day Your mercies are new  
This day Your promise is true  
This day my hope is in You, Lord  
This day, oh yea

This day all Your mercies are new  
This day every promise is true  
Father, help me to believe  
Give me faith I need to know You  
And trust You

This day all Your mercies are new  
This day your every promise is true  
Father, help me to believe  
Give me faith I need to know You  
And trust You this day  
I'm gonna trust you this day, yea  
This day, yea
