We Belong Together (Tarzan And Jane)

Steven Curtis Chapman

Deep in the jungle, up in a tree In Indiana 1983 Living on pizza and too little sleep Just me and my animal friends Then in the distance I saw through the leaves Creature of beauty like none I had even seen The trouble started when you smiled at me And our two worlds came crashing together And true love slowly began

I am Tarzan, You are Jane I am the night, and you are the day We're like sunshine and rain We're so different from each other You are a woman, I am a man You're the sea, and I am the land And I would not be who I am If I didn't have you

I know that somedays we both wonder how We got together, we're still so different now But I can't imagine my life without you Cause all those things that make us so different Are just what make us all that we are

I am Tarzan, You are Jane I am the night, and you are the day We're like sunshine and rain We're so different from each other You are a woman, I am a man You are the sea, and I am the land And I would not be who I am If I didn't have you

We belong together
