

## What Now

Steven Curtis Chapman

I saw the face of Jesus  
In a little orphan girl  
She was standing in the corner  
On the other side of the world

And I heard the voice of Jesus  
Gently whisper to my heart  
Didn't you say you wanted to find Me  
Well, here I am, here you are

So what now  
What will you do now that you've found Me?  
What now  
What will you do with this treasure you've found

I know I may not look like what you expected  
But if you'll remember  
This is right where I said I would be  
You found me, what now?

And I saw the face of Jesus  
Down on Sixteenth Avenue  
He was sleeping in an old car  
While his mom went looking for food

And I heard the voice of Jesus  
Gently whisper to my soul  
Didn't you say you wanted to know me  
Well, here I am  
And it's getting cold

So come and know  
Come and know, know me now  
Come, come and know, know me now

Oh, come and know  
Come, come and know, know me now  
Come, come and know, know me now
