

# Winter Wonderland

Steven Curtis Chapman

Sleigh Bells ring are ya' listenin  
In the lane snow is glistenin'  
A beautiful sight we're happy tonight  
Walkin' in a Winter Wonderland

Gone away is the blue bird  
Here to stay is the new bird  
He sings a love song  
As we go along  
Walkin' in a Winter Wonderland

In the meadow we can build a snowman  
And pretend that he is Parson Brown  
He'll say "are you married?"  
We'll say "No man,  
But you can do the job when you're in town!"

Later on we'll conspire  
As we dream by the fire  
To face unfraid the plans that we've made  
Walkin' in a Winter Wonderland

(Oh Yea!)

Hey come let's go out into the snow  
To a Winter Wonderland  
Hats, Gloves, Boots, Ya'll  
Better make sure you've got em' all  
Please take my persuasion  
'Cause outside everybody's havin' fun!

In the meadow we can build a snowman  
And pretend that he's a circus clown  
We'll have lots of fun with Mr. Snowman  
Until the other children come around  
(Until the alligators knock him down)  
knock him down

Over the ground there's a mantle of white  
A heaven of diamonds shine down through the night  
Our hearts will be thrillin'  
In spite of a chillin'  
Let's go walkin' in the snow  
In this wonderland (Come on everybody)  
Let's go!

We're walkin in a Winter Wonderland

(Merry Christmas everbody!)
