

# May I Always Keep My Feet Upon The Ground

Steven Delopoulos

May I always keep my feet upon the ground

Tricked the mind  
Burned the floor  
Babies dancing  
Die no more  
March through the desert  
Pray for the rain  
Crucify, no more pain  
May I always keep my feet upon the ground

Crucify  
May I always keep my feet upon the ground

Trick the mind  
Burned the floor  
Babies dancing  
Die no more
