

Thank U

How about getting off of these antibiotics
How about stopping eating when I'm filled up
How about changing line 'couse it don't make sense
How about that ever elusive kudo

Thank you India
Thank you terror
Thank you disillusionment
Thank you frailty
Thank you consequence
Thank you thank you silence

How about me not blaming you for everything
How about me enjoying the moment for once
How about how good it feels to finally forgive you
How about grieving it all one at a time

Thank you India
Thank you terror
Thank you disillusionment
Thank you frailty
Thank you consequence
Thank you thank you silence

The moment I let go of it was
The moment I got more than I could handle
The moment I jumped off of it was
The moment I touched down

How about no longer being masochistic
How about remembering your divinity
How about unabashedly bawling your eyes out
How about not equating death with stopping

Thank you India
Thank you providence
Thank you disillusionment
Thank you nothingness
Thank you clarity
Thank you thank you silence

Yeah yeah
Ahh ohhh
Ahhh ho oh
Ahhh ho ohhhhhh
Yeaahhhh yeahh
