

# Call My Name

Stevie B

The way I feel  
whenever I think about you  
maybe it's just a fantasy

but when you're near  
the look in your eyes can tell me  
maybe it's just my destiny

and I can't hide it anymore  
the way you make me feel inside  
the reason why I'm here tonight  
is just to tell you girl

if you need me to touch and I hold you  
baby, call my name  
if you want me to say that I love you  
baby, call my name

if you need me to touch and I hold you  
baby, call my name  
if you want me to say that I love you  
baby, call my name

and tell me now  
that you call that I ever listen  
^^^^

[??? Dieser Satz ist imho schwer zu verstehen]  
maybe it's just a mystery  
girl I'm say'in  
that the distance can bring us closer  
and maybe it's just reality

and I can't hide it anymore  
the way you make me feel inside  
the reason why I'm here tonight  
is just to tell you girl

if you need me to touch and I hold you  
baby, call my name  
if you want me to say that I love you  
baby, call my name

if you need me to touch and I hold you  
baby, call my name  
if you want me to say that I love you  
baby, call my name

the reason why I'm here tonight  
(baby, call my name)  
is just to tell you girl

if you need me to touch and I hold you  
baby, call my name  
if you want me to say that I love you  
baby, call my name  
if you need me to touch and I hold you  
baby, call my name

if you want me to say that I love you  
baby, call my name
