

# Dream About You

Stevie B

There was a time in my life  
When I opened my eyes  
And there you were  
You were more than a dream

I could reach out and touch you girl  
That was long ago  
There are some things  
That I guess I'll never know

When you love someone  
You gotta learn to let them go

[Chorus]  
When I dream about you  
That's when everything's alright  
You're in my arms, here next to me, forever  
When I dream about you, girl you never go away  
Just close my eyes, wait for my dreams  
'Cause I still love loving you.

How can I get you to see  
That I'm falling apart  
Since you've been gone  
I can never be sure  
I could ever let go

Your love is much too strong  
There are some things  
That I guess I'll never know  
When you love someone  
You gotta learn to let them go

[Chorus]

There are some things  
That I guess I'll never know  
When you love someone  
You gotta learn to let them go

[Chorus]
