

How Long

Stevie B

Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh

You know it's hard to find that special love
And if you ever should don't let it slip away from you

It's tearing me apart

You know how hard I tried to make you stay
I don't know what to say
My heart still yearns for you in every way

So how long should I wait for you
Tell me tell me
How long should I wait for you
La la la la la la
So how long should I wait for you
Tell me tell me

Sometimes we have to pick up and we go
And leave it all behind
To start a brand new life again

It's tearing me apart

You know how hard I tried to make you stay
I don't know what to say
Still my heart yearns for you every day

So how long should I wait for you
Tell me tell me
How long should I wait for you
La la la la la la
So how long should I wait for you
Give me a million reasons why

If you come back
I promise I'll be good to you
If you come back
I promise I'll be good to you

So how long should I wait for you
Tell me tell me
How long should I wait for you
La la la la la la
So how long should I wait for you
Give me a million reasons why
So how long should I wait for you

Tell me tell me

Oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
