

I'll Be Loving You All My Life

Stevie B

i always thought i was doing fine
spreading myself around another good time
then it hit me from out of the blue
i was falling in love with you
but now everythings changed
my hopes my dreams are rearranged its true
its all because of you my baby

i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever
i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever

every night i wonder if you know
no matter what they say i won't let go
don't ask yourself if i'll always be there
cause forever's how long I'll care
as time goes by and the feeling gets stronger
to be in your arms
can't wait any longer
look in my eyes and you'll see it's true
day and night
all my thoughts are of you

i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever
i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever

i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever
i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever

i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever
i'll be loving you all my life
till' my dying day is through
i'll be loving you, forever
