

# Love Me For Life

Stevie B

Ooh...  
La de la de la  
La de la de la  
Ooh...ooh...  
Talkin' to you on the phone  
I like the way you talk to me  
In that little girly voice  
I've gotten to know you  
And you might think this is a lie  
I've always wanted a girl like you  
And, that's no lie  
Love me for life  
Oh, I wish that you'd be mine  
And only mine  
It feels so right  
And won't you tell me right now  
Will you be my girl  
Ooh...  
La de la de la  
La de la de la  
Whoa, whoa...  
These past few days have been  
Beautiful and bright  
I want you to be part of my life  
It'll work out fine  
Never imagined  
That you would feel for me  
'Cause I thought that I was the only one  
Who felt this way  
Love me for life  
Oh, how I wish that you'd be mine  
And only mine  
It feels so right  
And won't you tell me right now  
Will you be my girl  
Tell me who's gonna make my day seem brighter  
When you're gone, when you're gone  
Won't you love me for life  
Oh, I wish that you'll be my lady, my lady  
I love you, girl  
It feels so right  
And won't you tell me right now  
Will you be my girl
