

One More Try

Stevie B

Its been a long time since you left me
I didnt mean to make ya cry
I didnt mean to dissapoint you
I didnt mean to tell you lies
And after all that we have been through
Wont you let me tell ya why
One more try
I didnt know how much I loved you
One more try
Let me put my arms around you
Livin all these lonely nights without you
Oh baby cant we give it one more try
Its been a long time since ive kissed you
It always use to feel so good
And if you knew how much I missed you
Youd forgive me if ya could
-----And now that we have found each other
Cant we give it one more try
One more try
I didnt know how much I loved you
One more try
Let me put my arms around you
Livin all these lonely nights without you
Oh baby cant we give it one more try
And after all that we have been through
Wont ya let me tell ya why
And now that we have found each other
Cant we give it one more try (one more try)
One more try
I didnt know how much I loved you
One more try
Let me put my arms around you
Livin all these lonely nights without you
Oh baby cant we give it one more try
Oh girl you know I love you
I just want ya to know
Our love ill always treasure
So please just dont let me go
