

When I Dream About You

Stevie B

There was a time in my life
when I opened my eyes
and there you are.
You were more than a dream,
I could reach out and touch you,
girl that was long ago.
There are some things that I
guess I'll never know.
When you love someone
you got to learn to let them go.

When I dream about you,
that's when everything's all right.
You're in my arms
here next to me, forever.
When I dream about you,
girl you never go away,
just close my eyes
wait for my dreams
cause I still love, loving you.

How can I get you to see
that I'm falling apart
since you've been gone.
I can never be sure
I could ever let go
your love is much too strong,
there are some things that I
guess I'll never know.
When you love someone
you got to learn to let them go.

When I dream about you,
that's when everything's all right.
You're in my arms
here next to me, forever.
When I dream about you
girl you never go away,
just close my eyes
wait for my dreams,
cause I still love, loving you.
