

You're The Inspiration

Stevie Brock

You know our love was meant to be
The kind of love that lasts forever
And I want you here with me
From tonight until the end of time
You should know everywhere I go
You're always on my mind
In my heart
In my soul baby

[CHORUS]

You're the meaning in my life
You're the inspiration
You bring feeling to my life
You're the inspiration

I wanna have you near me
I wanna have you hear me saying
No one needs you more than i need you

And I know
Yes I know
That's it's plain to see
So in love when were together
Now I know
That I need you here with me
From tonight until the end of time
You should know everywhere I go
You're always on my mind in my heart in my soul

[CHORUS]

I want to have you near me
I want to have you hear me saying
No one needs you more then I need you
Whoa oh oh oh

I want to have you near me
I want to have you near me saying
No one needs you more then I need you

[CHORUS]

When you love somebody till the end of time
When you love somebody always on my mind
No one needs you needs you more than I
When you love somebody till the end of time
When you love somebody always on my mind
