

Addicted

Stevie Hoang

Since you went away it's been one year two months
But it just don't seem like yesterday we were still together
Time has passed and things have changed so
Why do I feel this way
'Cause you're with somebody else
And I'm with somebody else but

Whenever I think about the love we had
It hurts so bad
Whenever I think about the love we made
I said that I'd be strong
Girl I really thought that I'd move on
But still I find myself asking

Do you still think of me like I think about you
Do you still dream of me 'cause I can't sleep without you
Tell me if time should make a change
Then why do I feel the same
Your love has got me addicted
Said I don't know
When I'm with a chick and hittin' it girl I call your name
Said I don't know
When I be with somebody else I push them away
Tell me if time should make a change
Then why do I feel the same
I know I gotta move on but I'm so addicted to you

It's been long enough don't know why I'm still holding on
If I had a wish babe I would turn back the hands of time
'Cause you don't know what you got until it's gone
It's the reason why I'm writing you this song
Girl I'm slippin' and I don't know what to do
Girl I admit it, I'm sick over you
Damn I realized my mistake, my pride got in the way
I should have begged you to stay

Do you still think of me like I think about you
Do you still dream of me 'cause I can't sleep without you
Tell me if time should make a change
Then why do I feel the same
Your love has got me addicted
Said I don't know
When I'm with a chick and hittin' it girl I call your name
Said I don't know
When I be with somebody else I push them away
Tell me if time should make a change
Then why do I feel the same
I know I gotta move on but I'm so addicted to you

If you ever lost someone you truly love
Let me hear you say yeah
And if you lost someone you truly need
Let me hear you say yeah

Do you still think of me like I think about you
Do you still dream of me 'cause I can't sleep without you
Tell me if time should make a change

Then why do I feel the same
Your love has got me addicted
Said I don't know
When I'm with a chick and hittin' it girl I call your name
Said I don't know
When I be with somebody else I push them away
Tell me if time should make a change
Then why do I feel the same
I know I gotta move on but I'm so addicted to you
