

## Half A Chance

Stevie Hoang

Wasn't you that said  
We have a problem we should talk it out  
Don't give upon me now  
Wait hold on just seat down  
Promises that I made in the past  
I broke them so many times  
But girl deep inside  
I am hoping that you'll find  
Forgive what is in your heart  
Let's go right back to the start  
I'll be the man that you fell in love with  
We'll make it through the rain  
I'll make you trust again  
I know I can do it

Just give me half the chance  
To make you believe again  
Half the chance  
I am ready to make a change  
Half the chance  
To be your man  
To understand  
And love you again  
Half the chance  
I know I can do it  
Half the chance  
Girl just let me prove it  
Half the chance  
I am ready to sacrifice  
Girl I pay the highest price  
I know I can make it right  
Just give me half the chance

Baby don't say a word  
Hold on just let me finish  
So you wanna give up on this relation ship  
Cause your heart is not in it  
And it only kills me inside  
Cause you don't feel the same

Do whatever it takes  
To make you love me again

Forgive what is in your heart  
Let's go right back to the start  
I'll be the man that you fell in love with  
We'll make it through the rain  
I'll make you trust again  
I know I can do it

I am not asking for too much  
I know it's gonna take some time  
Baby find a way back to your love  
If I got to start from the bottom  
And that's what I'll do  
I'll make my way to the top  
I got so much to prove

I am not throwing...  
I am not letting you down
