

I'll Be Fine

Stevie Hoang

It's better if we don't speak at all, at all, at all
It's better if we don't speak at all, at all, at all, at all

Now deep down inside you
Know it cuts like a knife
But I'm too proud to show it
Pain in my chest (it feels)
Like I lost my breath
She just doesn't know it
So many things that I'm dying to say
But I can't seem to tell her

It's killing me, to know that she wants to leave
But I'm not gonna beg her to stay (no)
Cause I got my pride, I'm not gonna cry
There wont be no tears falling from these eyes
Don't need her to see
That it's killing me
So this is what I'm saying

You don't have to worry about me
Girl, I'll be fine
You don't have to call me again
Girl, it's alright
You don't have to ask me if I'll be okay
Girl, I'll be fine
Girl, I'll be fine

You aint got to tell me that we can still be friends
You aint gotta make no excuses and pretend
Cause I'll be fine, said I'll be fine
There no need to call

It's better if we don't speak at all, at all, at all
It's better if we don't speak at all, at all, at all, at all

I can't believe, that I fell so deep
And I let my heart so open
Now I gotta try, to keep it inside
These words, are better left unspoken

Cause I still got my pride, I'm not gonna cry
There wont be no tears fallling from these eyes
Don't need her to see
That it's killing me
So this is what I'm saying

You don't have to worry about me
Girl, I'll be fine
You don't have to call me again
Girl, it's alright
You don't have to ask me if I'll be okay
Girl, I'll be fine
Girl, I'll be fine

You aint got to tell me the we can still be friends
You aint gotta make no excuses and pretend

Cause I'll be fine, said I'll be fine
There's no need to call

It's better if we don't speak at all, at all, at all
It's better if we don't speak at all, at all, at all, at all

Girl I'll be fine (said I'll be fine)
There's no need to call
It's better if we don't speak at all
