

# More Than A Friend

Stevie Hoang

Yeah ooh yeah ooh ooh  
I've had my fair share of playing games  
All types of relationship  
But they didn't amount to this  
For all this time I've been searching girl  
It's crazy I couldn't see  
It was right there in front of me

Baby it's you  
The only one I call when I'm down girl  
The only one that's always been around girl  
You're the only one who's been there from the start  
When I couldn't find a way you would show me  
It's funny cause you've always been my homie  
So girl let me know  
Will you be more than a friend  
If we took it there  
I promise you'll see  
How good it will be  
If you were more than a friend  
Let's give love a try  
The feeling is right  
There's no reason why  
You can't be more than a friend  
(more than a friend)  
Will you be more than a friend

Time passes us by so quickly girl  
So why don't we take this chance  
Won't you let me be your man  
You say you don't wanna mess things up  
But baby don't be a afraid  
It's a chance I'm willing to take

Baby it's you  
The only one I call when I'm down girl (ooh)  
The only one that's always been around girl  
You're the only one who's been there from the start  
When I couldn't find a way you would show me (show me)  
It's funny cause you've always been my homie  
So girl let me know  
Will you be more than a friend  
If we took it there  
I promise you'll see  
How good it will be  
If you were more than a friend  
Let's give love a try  
The feeling is right  
There's no reason why  
You can't be more than a friend

There's nothing I wouldn't do  
Just to show you how I feel  
Can't you see that I'm for real  
(that I'm for real ooh girl)  
Baby just give me your heart  
And I swear I'll never tear it apart

Will you be more than a friend  
If we took it there  
I promise you'll see  
How good it will be  
If you were more than a friend  
Let's give love a try  
The feeling is right  
There's no reason why  
You can't be more than a friend

If we took it there  
I promise you'll see  
How good it will be  
If you were more than a friend  
Let's give love a try  
The feeling is right  
There's no reason why  
You can't be more than a friend
