

# No Games

Stevie Hoang

[Verse 1:]

I don't wanna waste your time  
But some kind of play or lie  
So I'm gonna be here  
And say what's on my mind  
You're the finest thing in the club  
All the fellahs be showing you love  
Baby watching you but you be watching me

[Bridge:]

If you're down,  
There's a place where we can go  
It's not too far from here  
I got the whip parked just outside  
Girl if you like it we can ride  
Let me get you in the mood  
Let's have a drink or two  
Shawty do what you came to do

[Chorus:]

Baby I don't wanna play no games  
I just want to know  
Cause tonight it's all on you  
Tell me what you wanna do  
Tell me if you're feeling me  
Cause girl I'm feeling you  
But tonight it's all about you  
Tell me what you wanna do

[Verse 2:]

I see it's getting kind of late  
But baby don't hesitate  
Let's get to the VIP where we can talk  
I know you came with your friends  
But tell them that you're leaving with me  
Shawty let yourself be free do what you wanna

[Bridge]

[Chorus]

[Hook: x2]

Anywhere you wanna go  
Girl I will take you there  
And nobody has to know  
We can keep it on the low

[Chorus]

We can keep it on the low
