

Not Like This

Stevie Hoang

Yeah
Now listen, baby
I know you say you've done it all before
But not like this
Check it

I know you heard a lot of things from your friends
About the way I put it down
Girl, you don't even have to front
Just come on by and I'm a give you what you want

If you want me to break you off
I'll do it
If you want me to take it off
Come see me
If you want me to tear it up
Girl, your wish is my command
Cause tonight we're going all the way

We've never made love before
Not like this
You've never been down before
Not like this
Girl, I'm gonna show you the freaky way
I'll please you in every way
Your body's calling me right now
We're gonna go there tonight
Don't be shy
We be hitting the spots tonight
Feel so fly
You say you have someone
And you've done it all before
Not like this

Girl, I see you wearing what I like
So come on in and close the door
Now baby, don't be shy
All them clothes
Take em off off off off
Your body's ready
Waited so long

If you want me to break you off
I'll do it
If you want me to take it off
Come see me
If you want me to tear it up
Baby, no one has to know
We about to start the show right now

We've never made love before
Not like this
You've never been down before
Not like this
Girl, I'm gonna show you the freaky way
I'll please you in every way
Your body's calling me right now

We're gonna go there tonight
Don't be shy
We be hitting the spots tonight
Feel so fly
You say you have someone
And you've done it all before
Not like this

Girl, I'm 'bout to show you
All the goodies that I've got
Hope you brought your appetite for love
I serve a lot
So baby, don't be shy
Girl, I won't bite
Only if you ask me to
So get ready tonight
I'm giving you the ride of your life

We've never made love before
Not like this
You've never been down before
Not like this
Girl, I'm gonna show you the freaky way
I'll please you in every way
Your body's calling me right now
We're gonna go there tonight
Don't be shy
We be hitting the spots tonight
Feel so fly
You say you have someone
And you've done it all before
Not like this

Not like this
You say you've done it all before
Not like this
You ain't never done it like
Not like this
No, no no no
Not like this
You never done it like this
Not like this
You say you've had it outdoors
Not like this
Look baby, what about the floor?
Not like this
Not like this
"Yo, listen baby"
So you say you've done it
Not like this
On the table
Done it on the chair
Had it every, everywhere
Not like this
But not like this
Not like this
Not like this, no no
Not like this
