After the Glitter Fades

Stevie Nicks

Well I never thought I'd make it Here in Hollywood I never thought I'd ever Want to stay What I seem to touch these days Has turned to gold What I seem to want Well you know I'll find a way

For me it's the only life That I've ever known And love is only one Fine star away Even though the living Is sometimes laced with lies It's alright The feeling remains Even after the glitter fades

The loneliness of a one night stand Is hard to take We all chase something And maybe this is a dream The timeless face of a rock and roll Woman while her heart breaks Oh you know the dream keeps coming Even when you forget to feel

For me it's the only life That I've ever known And love is only one fine star away Even though the living Is sometimes laced with lies It's alright The feeling remains Even after the glitter fades

For me it's the only life That I've ever known And love is only one fine star away Even though the living Is sometimes laced with lies It's alright The feeling remains Even after the glitter fades Oh you know the feeling remains Even after the glitter fades Oh the feeling remains Even after the glitter fades
