

## Alice

Stevie Nicks

Well I heard she flew down to the Mountain City  
He said that's not what I heard I hear she went higher  
She depended on her friends to tell her when to stop it  
To make a statement this is me talking to you

Like Alice through the Looking Glass  
She used to know who she was  
Call out my name call out my name  
But I get no answer she prays

Better run for your life cried the Mad Hatter  
Alright said Alice I'm going back  
To the other side of the mirror I'm going back  
Oh no, you cannot tell a gypsy ooh, that she's no longer a member  
Become a deadly weapon now along with everything else  
Oh call my name

Like Alice through the Looking Glass  
She used to know who she was  
Call out my name like Alice through the Looking Glass  
But I get no answer she used to know who she was  
And she prays for the world that she comes from

Each had their own charm  
Buried beneath a solid piece of armour or a steel plated vest  
Some carry a stiletto in their garter along with everything else  
That they carry oh, call my name

Like Alice through the Looking Glass  
She used to know who she was  
Call out my name like Alice through the Looking Glass  
But I get no answer (she used to know who she was  
And she prays for the world that she comes from  
Alice! call my name

Oh run for your life said the Mad Hatter  
Alright said Alice I'm going back to the other side of the mirror  
This is me talking to you well this is me talking to ya
