

## Cheaper Than Free

Stevie Nicks

What's cheaper than free?  
You and me  
What's better than alone?  
Going home  
What does money not buy?  
You and I  
What's not to feel?  
When love is real

What's faster than a fast car?  
A beating heart  
What's deeper than a deep well?  
The love into which I fell  
More important than freedom?  
Being near  
More exciting than our fashion?  
High passion

What's brighter than a smile  
You child, You child  
What's brighter than a smile  
You child, You child  
You child, You child

What's warmer than a sun drenched land?  
Your hand  
Your hand  
Your hand
