## **Crash into Me**

**Stevie Nicks** 

You've got your ball You've got your chain Tied to me tight tie me up again Whos got their claws In you my friend Into your heart I'll beat again Sweet like candy to my soul Sweet you rock And sweet you roll Lost for you I'm so lost for you

You come crash into me And I come into you I come into you In a boys dream In a boys dream

Touch your lips just so I know In your eyes love it glows so I'm bare boned and crazy for you When you come crash Into me baby And I come into you In a boys dream In a boys dream

If I've gone overboard Then I'm begging you To forgive me In my haste When I'm holding you so girl Close to me

Oh and you come crash Into me baby And I come into you Hike up your skirt a little more And show the world to me Hike up your skirt a little more And show your world to me In a boys dream... in a boys dream

Oh I watch you there Through the window And I stare at you You wear nothing but you Wear it so well Tied up and twisted The way I'd like to be For you for me come crash Into me
