

I Sing For The Things

Stevie Nicks

You say I have everything
Well, I'm living on dreams and chains
But, I sing for the things money can't buy

You say you don't believe
Well could you just look at me
Look deep into my eyes...my love

Well, have you ever been in love
Have you touched the soul of someone
Did the fear inside you make you turn and run

I'll take off my cape for you
I'll take down my hair for you
Anything you want me to do...my love

Well, I'll sit home and wait for you
Oh, darling there's nothing that I'd rather do
Anything you want me to do...my love

Have you ever been in love
Have you touched the soul of someone, baby
Did the fear inside you make you turn and run

You say I have everything
Well, I've been living on dreams and chains
I sing for the things that money can't buy me

Have you ever been in love
Have you touched the soul of someone
Did the fear inside you make you turn and run
Anything...my love
Anything...my love
Any thing...
