

It's Late

Stevie Nicks

It's late, we got to get on home
It's late, we been gone to long
Too bad we should have checked the time
Can't phone, we done spent every dime

It's late, we're 'bout to run out of gas
It's late, we got to get home fast
Can't speed, we're in a slow down zone
Baby, look at that clock, why can't it be wrong

Could've left home at a quarter to nine
Could've had fun in plenty of time
We got started just a little bit late
I hope this won't be our last date

Look up, is that the moon we see?
Can't be, looks like the sun to me
It's late, I hate to face your dad
Too bad, I know he's gonna be mad

It's late, we got to get on home
It's late, we been gone to long
