

# It's Only Love

Stevie Nicks

I think I met my match again  
Passing 'round the candlelight  
In the center of this blizzard  
You stood and melted all the ice

R: Ah, it's only love  
Ah, it's only love  
Ah, if only love comes around again  
It will have been  
Worth the ride

You were master of so many  
But savior to none  
I waged all of my hopes so plenty  
On you, now look what I've become

R:

Someday's lonely is not only  
A word, but faces I have known  
And if you see me, could you free me  
With a smile, so I can let go
