

# Kick It

Stevie Nicks

I'll stay with you one more night  
I'll bid you no goodbyes  
Not until tomorrow's light  
Then I'll say goodnight  
I would really rather die  
Than make you stop  
I think that is the meaning of love

I think that is the meaning of love  
And I prefer to kick it  
Yes I think that is the meaning of love  
And I prefer to kick it kick the habit

Well I'm waited for in Egypt  
It's just something I must do  
Yes I can see you're waited for all over you  
All day and all night all over the world  
It's your world

I think that is the meaning of love  
And I'm prepared to kick it  
Yes I think that is the meaning of love  
And I prefer to kick it

So what is this when you can  
What is this what about me  
What is this (What is this)  
I understand (I understand)  
What is this I'm lonely I'm lonely (I'm lonely)

It's a strange kind of love affair  
A symphony of sorts  
Strange kind of love affair  
A declaration of war  
No I won't be here tomorrow night  
You won't see me smiling  
Tomorrow when it's very dark No crying

I think that is the meaning of love  
And I prefer to kick it  
Yes I think that is the meaning of love  
Surrender  
Well I think that is the meaning of love  
I think that is the meaning of love  
And I prefer to kick it  
Yes I think that is the meaning of love  
But I prefer to kick it  
Well I loved you more than life itself  
Nothing like forever more  
But I'm prepared to kick it  
(Something like dying  
Yes I loved you more than life itself  
But I'm prepared to kick it
