Landslide

Stevie Nicks

I took my love and I took it down Climbed a mountain then I turned around And I saw my reflection in the snow covered hills Well the landslide brought me down Oh, mirror in the sky What is love? Can the child within my heart rise above Can I sail through the changing ocean tides Can I handle the seasons of my life Uh ah Uh ah Uh ah Well, I've been afraid of changin' 'Cause I built my life around you But time makes you bolder Children get older I'm getting older too Well Well, I've been afraid of changin' 'Cause I built my life around you But time makes you bolder Children get older I'm getting older too Well, I'm getting older too So, take this love and take it down Yeah, and if you climb a mountain and ya turn around And if you see my reflection in the snow covered hills Well the landslide brought me down And if you see my reflection in the snow covered hills Well maybe Well maybe Well maybe The landslide will bring you down.
