

Love Is Like a River

Stevie Nicks

You used to call me wicked
I used to call you friend
They say your life is wild
Compared to what lifestyle
You must have many things to remember
Cause nothing else in your life has really changed
Everything is almost like it was before
And I don't want to do this anymore

When you lose your sight
Love is like a river
And there's nothing to see
Love is like a river
She was just like me
Love is like a river
And suddenly the day comes

Some call it love
Some say they're above that
Well I believed in love
I called it worth it

Some call me all the time
Love is like a river
Well love is like a river
Love is like a river
And when you lose your sight
And suddenly the day comes

Everything all around me is electric now
But I haven't burned a candle in a real long time
And only when your heart says it's over does it die
Well love is like a river running
Straight back to the sea

Some call it love
Some say they're above it above that
Well I believed in love
I called it worth it worth it

Well some call me all the time
Love is like a river
I say you can't stay home and give up the fight
Love is like a river
I think you're uptight lady ooh, out of sight
That's just what I wanted to hear ooh, out of sight
You know you can't stay home
In the middle of the night
Love is like a river
You can't say no in the middle of the night
Love is like a river
I think you're uptight lady ooh, out of sight
And you can't say no in the middle of the night
Love is like a river
Well I think you're uptight lady uptight lady
Ooh, out of sight out of sight, baby
