Love Is Like a River

Stevie Nicks

You used to call me wicked
I used to call you friend
They say your life is wild
Compared to what lifestyle
You must have many things to remember
Cause nothing else in your life has really changed
Everything is almost like it was before
And I don't want to do this anymore

When you lose your sight Love is like a river And there's nothing to see Love is like a river She was just like me Love is like a river And suddenly the day comes

Some call it love Some say they're above that Well I believed in love I called it worth it

Some call me all the time Love is like a river Well love is like a river Love is like a river And when you lose your sight And suddenly the day comes

Everything all around me is electric now
But I haven't burned a candle in a real long time
And only when your heart says it's over does it die
Well love is like a river running
Straight back to the sea

Some call it love Some say they're above it above that Well I believed in love I called it worth it worth it

Well some call me all the time Love is like a river I say you can't stay home and give up the fight Love is like a river I think you're uptight lady ooh, out of sight That's just what I wanted to hear ooh, out of sight You know you can't stay home In the middle of the night Love is like a river You can't say no in the middle of the night Love is like a river I think you're uptight lady ooh, out of sight And you can't say no in the middle of the night Love is like a river Well I think you're uptight lady uptight lady Ooh, out of sight out of sight, baby Tištěno z www.txp.cz
