

## Love's a Hard Game to Play

Stevie Nicks

Wake up my sweet child  
There's something I've got to say to you tonite  
It's time you took a look at me  
Cause there's so much more to me  
Than meets the eye

Well, there's more to love than makin' time  
The harder you look the more you'll find  
It's never easy no matter what they say

R: Love's a hard game to play  
The heart's the price you pay  
Love's a hard game to play  
No matter what they say  
Win or lose, no matter what they say  
Love's a hard game to play

The problem here is not my fear  
The trouble is you can't convince yourself  
For tonight, let's lose the past  
Make love last  
Put our worries up on the shelf

We've been through thick and thin, and back again  
And we can endure love's sweet pain  
Remember, starting the fire is easy  
The hardest part is learning how to keep the flame

Love's like walking a real fine line  
You get too close and you'll go blind  
Let go too long and it will all drift away

R:

Just when I feel like I'm losin' you  
I hear them voices call  
They say it's better to have lost at love  
Than never to have loved at all  
Lose or win, stand or fall

Well, there's more to love than makin' time  
The harder you look, the more you'll find  
It's never easy, no matter what they say
