

Reconsider Me

Stevie Nicks

When you're all alone
And you need someone
Telephone and I'll come runnin'
Reconsider me

If the past still makes you down
Darlin', that was then and this is now
Reconsider me

And I'll never make you sad again
'Cause I swear that I've changed since then
And I'll never make you sorry if you try
Let's let bygones be forgotten
Reconsider me
Reconsider me

You can go and be what you want to be
It will be alright if we disagree
I'm the one who cares and I hope you'll see
That I'm the one who loves you
Reconsider me

I promise that I'll never make you cry
I'll never make you sad again
