

# Whenever I Call You Friend

Stevie Nicks

Whenever I call you friend  
I begin to think I understand  
Anything we are  
You and I have always been ever and ever

I see myself within your eyes  
And that's all I need to show me why  
Everything I do, always takes me home to you  
Ever and ever

Now I know my life has given me more  
Than memories day by day...we can see

In every moment there's a reason to carry on

R: Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it

Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it right

Whenever I call you friend  
I believe I've come to understand  
Everywhere we are you and I were meant to be  
Forever and ever

I think about the times to come  
Knowin' I will be the lucky one  
Ever our love will last  
I always want to call you friend

R: (sax solo)

Now I know my life has given me more  
Than memories... day by day...we can see

In every moment there's a reason to carry on

Sweet love...sweet love yeah  
Sweet love...sweet love yeah
