

Whenever I Call You Friend

Stevie Nicks

Whenever I call you friend
I begin to think I understand
Anything we are
You and I have always been ever and ever

I see myself within your eyes
And that's all I need to show me why
Everything I do, always takes me home to you
Ever and ever

Now I know my life has given me more
Than memories day by day...we can see

In every moment there's a reason to carry on

R: Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it right

Whenever I call you friend
I believe I've come to understand
Everywhere we are you and I were meant to be
Forever and ever

I think about the times to come
Knowin' I will be the lucky one
Ever our love will last
I always want to call you friend

R: (sax solo)

Now I know my life has given me more
Than memories... day by day...we can see

In every moment there's a reason to carry on

Sweet love...sweet love yeah
Sweet love...sweet love yeah
