

# Change It

Stevie Ray Vaughan

You can't change it  
Can't re-arrange it  
If time is all that we got  
Then baby let's take it

Lovin' is a lovin'  
The moment is a-right  
It's worth all the years in the past  
Let's go one more night

Get away from the blind side of life  
Honey I want you to be by my side  
Me and my back door moves ain't no more  
No more

Get away from the blind side of life  
Honey I want you to be by my side  
Me and my back door moves ain't no more  
No more

Get away from the blind side of life  
Honey I want you to be by my side  
Me and my back door moves ain't no more  
No more

Goodnight my darlin'  
Another day has passed  
Forget all those painful memories  
Our love's gonna last

Come to me baby  
Come to me one more time  
It's time we got movin'  
Time to move on  
Let's slide out the door  
Let's slide out the door  
Glide our way home  
Let's glide our way home

Let's go, let's go  
Let's go, let's go  
Let's go, let's go  
I've come back for more
