

I'm Leaving You (Commit a Crime)

Stevie Ray Vaughan

I'm leavin' you woman
Before I commit some crime
I'm leavin' you woman
Before I commit a crime
You the evilest woman
I think ever crossed my mind

You put poison in my coffee
Instead of milk or cream
You poison my coffee
In with that milk and cream
You're the meanest woman
I think I've most ever seen

You mix my drink
With a can of Red Devil lye
You mix my drink
With a can of Red Devil lye
Then you sit right down
Watchin' me, hopin' I might die

You better be watchin' me baby
Baby it was not my time
You better be watchin' me baby
Just might be your time
