Let's Dance

Stevie Ray Vaughan

Let's dance, put on your red shoes and dance the blues Let's dance, to the song they're playin' on the radio Let's sway, while color lights up your face Let's sway, sway through the crowd to an empty space

If you say run, I'll run with you And if you say hide, we'll hide Because my love for you Would break my heart in two If you should fall into my arms And tremble like a flower

Let's dance Let's dance, for fear your grace should fall Let's dance, for fear tonight is all Let's sway, you could look into my eyes Let's sway, under the moonlight, this serious moonlight

And if you say run, I'll run with you And if you say hide, we'll hide Because my love for you Would break my heart in two If you should fall into my arms And tremble like a flower

Let's dance, put on your red shoes and dance the blues Let's sway, under the moonlight, this serious moonlight Let's dance Let's dance Let's dance, dance, dance
