

Voodoo Chile (Slight Return)

Stevie Ray Vaughan

Well, I stand up next to a mountain
And I chop it down with the edge of my hand.
Well, I stand up next to a mountain,
Chop it down with the edge of my hand.
Well, I pick up all the pieces and make an island,
Might even raise just a little sand.
'Cause I'm a voodoo chile,
Lord knows I'm a voodoo chile, baby.

I didn't mean to take up all your sweet time,
I'll give it right back to you one of these days.
I said I didn't mean to take up all your sweet time,
I'll give it right back one of these days.
And if I don't meet you no more in this world
Then I'll, I'll meet you in the next one and don't be late, don't
't be late.
'Cause I'm a voodoo chile, voodoo chile,
Lord knows I'm a voodoo chile, hey hey hey.
I'm a voodoo chile, baby.
